VOL. 17, NO. 10

Burglar Makes Annual Visit To Sierra Madre

Five houses entered on Wednesday night and one on Thursday night and a considerable amount of loot secured, is the result of what appears to be the annual visitation of a one-man burglar crew to Sierra Madre.

Houses entered Wednesday night were those of F. P. Conard, Dr. W. C. Upjohn, R. B. Wilson, T. M. Sherman and J. C. Carson, all on East Alegria street except the Conard residence on West Mira Monte. The Thursday night job was at the L. J. Nelson home on Manzanita avenue.

Several hundred dollars worth of silverware was secured at the Carson home, and some valuable coats at the Nelson home. In the opinion of Marshal A. M. Udell the burglar was the same who pulled a series of raids here about a year ago. His methods of gaining entrance were similar and he seemed to carry an appetite for good things to eat.

Attempts were also made to enter the homes of C. W. Jones and H. J. Klemme. At the latter place he was heard at work at the front door and frightened away. He awakened the Sherman household after getting into the house and was frightened away. Marshal Udell was summoned and tracked him as far as Central avenue.

Mr. Klemme had a fleeting view of the man as he ran away across the yard, and describes him as of medium build and smooth faced but could not see his features clearly.

CHAMBER OF COMMERCE OFFICERS ARE ELECTED

The new board of directors of the Chamber of Commerce held their first meeting of the fiscal year Monday night and elected the following officers for the coming year: James N. Hawks, president; J. F. Sadler, vice president; Rudolph Hartman, second vice president; H. E. Allen, treasurer; Major C. S. Floyd, secretary. The annual report for the past fiscal year was approved by the board of directors.

Review of the year's work of the Chamber of Commerce shows that there have been a number of definite accomplishments for the good and improvement of Sierra Madre. The Chamber of Commerce is now in better condition in every way than it has been since its organization in March, 1906. The coming year will be one of the most important in the history of Sierra Madre and will mark a new era of progress and development. The Chamber of Commerce expects to do its part in the making of Sierra Madre.

BIG REAL ESTATE MOVEMENT STARTED

Some real estate deals recently made and others in prospect are said to be the forerunners of a movement of real magnitude in Sierra Madre. It is expected that one of the largest realty concerns in Los Angeles which is reaching out into suburban territory will be involved.

City zoning plans will have a great deal to do with the program. Those interested feel that some such effort to stabilize development and values will be necessary to put the program over. Local people interested in the enterprise hold investments here amounting to more than \$200,000, but the list is not yet complete. They are anxious to have the zoning question settled by the city as soon as possible. The trustees have hired G. Gordon Whitnall as consultant to recommend zoning plans and it is expected something definite will be reported soon.

ROAD COMMITTEE SEEKS COOPERATION

President Hawks of the Chamber of Commerce has appointed a committee consisting of George Norris, Fred Vannier and George B. Morgridge to make an effort to secure the opening of Baldwin and Sierra Madre Avenues through from the Foothill Boulevard to Huntington drive. Both would intersect the proposed extension of Colorado street from Lamanada Park to Arcadia. The committee will make an effort to have the whole group of highways adopted as one project by the Colorado street committee representing the cities to the east and west.

MINSTRELS OFFER BARRELS OF FUN

All Set for the Big Show to be Put
On by the Firemen's Club
Next Week

Practically all is in readiness for "One Hour on Shore," the minstrel show to be given next Tuesday and Wednesday nights by the talented and comical crew gathered by the Firemen's Club. A chorus of 15 male voices, including a special quartet, has been at work several weeks under direction of A. Walt Tourelle, an accomplished organist and director.

Although the usual semi-circle will be used, there will be some very unusual features in connection with it. Not the least of the attractions will be the ends—little Charlie Mullins and Tom Henderson who is in general charge of the show.

\$25 Cash Reward Offered
That there may not be a dull minute during the evening, special features are offered during the intermission. "The Mystery Man" will be on hand with a bag full of new tricks. He offers any one in the audience a chance to earn \$25 cash by the simple task of tying him to a cross which will be provided, so that he cannot free himself within three minutes. The offer is open to sailors, Boy Scouts or any of the rest of the knot artists.

Lamp to be Awarded
On Wednesday night there will be a drawing of the numbers of the Red Cross membership cards. This will determine who wins the \$50 ornamental lamp offered for the holder of the lucky number.

MASONIC LODGE HOLDS ELECTION

Officers were chosen for the ensuing year at the December state meeting of Sierra Madre Lodge No. 408, F. & A. M., on Tuesday evening.

Those elected were as follows: George B. Morgridge, master. Ernest L. Yerxa, senior warden. Donald C. Ashmore, junior warden. William J. Lawless, treasurer. Frederick C. Vannier, secretary.

Installation of the new officers, elective and appointive, will take place early in January. On account of the entertainment in the club house next Tuesday evening there will be no lodge meeting.

RICHARDS IS CHAIRMAN

W. D. Richards will be in charge of the program at the Chamber of Commerce luncheon at the Venture Inn on next Tuesday. An interesting program is assured as has been demonstrated by the speakers obtained to date by the various parties who have been in charge of the programs at these luncheons.

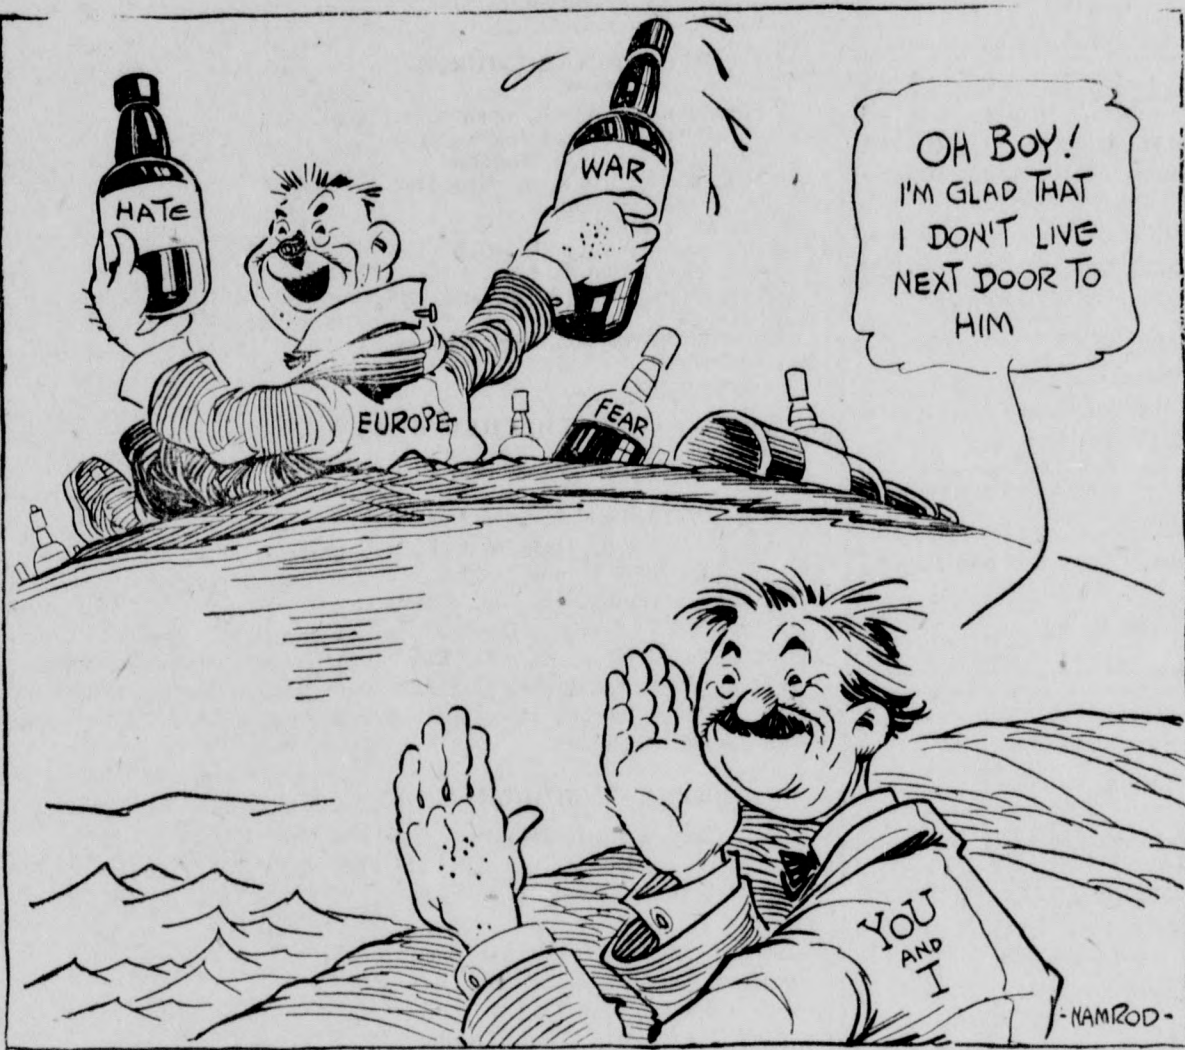

The speaker next Tuesday will be Major E. D. Ardery, Corps of Engineers, U.S.A., who is in charge of the government harbor works at Los Angeles harbor and will tell what Uncle Sam is doing toward port development there.

FEATURES BILLED AT THE COLONIAL

Thomas Meighan in "The Man Who Saw Tomorrow" is the opening attraction at the Colonial next week. It is a Paramount feature with a cast which includes Theodore Roberts, June Elvidge, Leatrice Joy and Eya Novak. For Tuesday and Wednesday comes a film version of the great stage success, "Kick In." Clara Kimball Young in "Enter, Madame," holds the screen for Thursday and Friday. It is a sparkling story of theater life. For Saturday animals will hold both the screen and the stage. The film feature will be the life drama of "Old Buckskin," of the border. Old Buckskin will appear in person with a great bunch of highly educated animals which will delight young and old.

Mr. and Mrs. Glenn Klemme and baby arrived on Tuesday to spend several weeks visiting with Mr. Klemme's father, H. J. Klemme, and his sister, Miss Ruth Klemme, of 354 N. Canyon avenue.

A PRETTY TOUGH NEIGHBORHOOD

DEVELOPMENT OF STREET LIGHTING

Interesting Talk by a Westinghouse
Expert at Chamber of Commerce Luncheon

J. O. Case, sales manager for the Westinghouse Electric Co., was the speaker at the weekly Chamber of Commerce luncheon at the Venture Inn on Tuesday. He was secured by G. I. Farman of the Sierra Madre Electric Co., chairman for the day, and gave an intensely interesting talk on modern illumination. Most of his talk was devoted to efficient and ornamental street lighting.

By means of an ingenious device Mr. Case displayed a number of colored transparencies showing various types of street installations and their effect at night. Installation of modern street lighting has proved in numerous instances, said Mr. Case, to have a direct and powerful effect in drawing traffic and trade to streets previously dark and neglected.

MISS MARY LE DUC HAS PASSED AWAY

Miss Mary LeDuc, formerly a resident of Sierra Madre, passed away on Monday at the home of her niece, Mrs. C. C. Knapp of Lamanda Park, where she had made her home about two years.

Miss LeDuc was born at Johnstown, Ohio, October 5, 1834. She was a graduate of Ohio Wesleyan University and for many years was a teacher in Ohio and Minnesota. She was always proud to claim as one of her pupils William McKinley, who afterwards became president of the United States. Twenty-five years of her life was spent in Tryon, a beautiful mountain health resort of North Carolina, where she served as postmaster during McKinley's administration. She came to California twelve years ago, and resided in Ontario and Sierra Madre before coming to Pasadena.

Miss LeDuc comes from an illustrious and long lived family. Her brother, General William G. LeDuc of Civil War fame, afterwards a member of President Hayes' cabinet, died a few years ago at his home in Hastings, Minnesota, at the ripe old age of 94 years. Another brother was the late Dr. H. E. LeDuc, practicing physician of Los Angeles.

The charm of her personality and many beautiful qualities of mind, and heart won for her a large circle of friends and acquaintances who will deeply mourn her death.

Funeral services were arranged for Friday afternoon, in charge of Dr. D. F. Fox and Dr. Bradford Leavitt of Pasadena.

O. E. S. INSTALLS NEW OFFICERS

Pretty Ceremony Carried Out At the
Open Session of the
Chapter

In the presence of a large number of members and their families, the officers of Sierra Madre Chapter No. 299 Order of the Eastern Star, were formally installed Monday evening in the Masonic Hall.

Frederick L. Vannier, the retiring patron, performed the duties of installing patron most impressively. Mrs. Sabina Reynolds of Monrovia, district deputy grand matron, served as installing marshal both gracefully and graciously.

Following the ceremonies a social hour was enjoyed, sandwiches, cake and coffee being served. Mr. Vannier was presented with a handsome ring bearing the jewel of a past patron, a neat presentation speech being made by Miss Elizabeth Steinberger. Keen regret was expressed by Mrs. Twycross, the incoming matron, that illness prevented Mrs. N. Madge Long, retiring matron, from being present to participate in the ceremonies and receive her jewel as recognition of her splendid services during the past two years.

The newly installed officers are as follows:
Mrs. Ruth Twycross, matron.
Trevor L. Moore, patron.
Mrs. Hazel Hill Morgridge, associate matron.

Mrs. Margaret Moore, secretary.
Mrs. M. Pearl Arthur, treasurer.
Mrs. Blanche Muskrat, conductress.
Mrs. M. J. Dickinson, associate conductress.

Mrs. Spencer Howard, chaplain.
Mrs. Elizabeth Walker, marshal.
Mrs. Madge Hare, organist.
Mrs. Agnes Tyree, warden.
Mrs. Marie Watson, sentinel.
Belle Chandler, Ruth.
Yerda Adams, Adah.
Kittie Buie, Martha.
Eleanor Bayne, Esther.
Ethel Keith, Electa.

STOCK PROPOSITIONS NOT TO BE HANDLED

For obvious reasons and in conformity with the approved practice of modern Chambers of Commerce the local organization and its Retail Merchants Committee will not undertake to investigate nor endorse stock and bonds sales propositions. Prospective purchasers of stocks and bonds should weigh their value in the same way as in the purchase of any other merchandise. The fact that the Chamber of Commerce will not investigate nor endorse them merely means that they neither recommend nor condemn them.

ANNUAL BAZAAR IS HELD TODAY

Supper and Play to be Features of
the Entertainment at the
Club House

With a sale of home made holiday goods, aprons, dolls, fancy work and cooked foods, the Ladies Aid Society of the Congregational Church holds its annual bazaar this afternoon and evening in the Woman's Club house. Cafeteria supper with a tempting menu is offered for this evening, beginning at 5:30.

Musical numbers and a one-act play will comprise the evening entertainment beginning at 8. The play is a sparkling Booth Tarkington comedy and a clever aggregation of home talent players under the skilled direction of Mrs. H. E. Allen will make it well worth going to see. Mrs. A. F. Snell is president of the society and in general charge of the affair.

CHRISTMAS SEAL SALE

Christmas Seals, sold every year to combat tuberculosis are now on sale in Sierra Madre, the local campaign being under the direction of Mayor Mitchell. They can be obtained at the City Hall, the office of the Southern California Edison, Pettitt's Woodson Jones, and the drug stores, or directly from Mr. Mitchell or Mrs. Roberts, the municipal nurse.

When this year's quota of \$200,000 is reached, one million dollars will have been raised in California since 1914 through the sale of Christmas seals.

One billion seals will have been sold. This year we can declare a dividend to you who have made this possible. A dividend that at last spells control of tuberculosis in this golden state. Dividends of better health for thousands of school children. Dividends of restored health to hundreds of patients in the clinics and hospitals. Dividends of smiles and happiness and added weight to the Kamp Kiddies who have been restored to health. Dividends of cheer to the patients who have been doing occupational therapy in hospitals to test their strength. Dividends of little lives saved at the preventoria. Dividends in knowledge obtained through research work. Dividends in a decline in the death rate from 189 to 100,000 in 1914 to 151 in 1921.

BUY CHRISTMAS SEALS for the
GOOD THEY DO DEPENDS ON
YOU.

Miss Vera Bears returned Monday in Long Beach after several months in Sierra Madre Canyon.

Sanitarium Plan Arouses Various Kinds of Opinion

Keen local interest was aroused by the publication of an article in Sunday's Times under a Monrovia date line telling of the impending establishment of a great tubercular sanitarium. The article was as follows:

Idaho and Ohio capital is going into the new Snyder Sanitarium, now under construction at an estimated cost of \$125,000, in Sierra Madre, according to the promoters of the enterprise, who were visiting Idaho friends here this week.

"Dr. O. H. Snyder, formerly of Iron-ton, Ohio; Dean Perkins of Boise, and George M. Anderson, also of Boise, are the principals who recently bought the Ragsdale property, comprising seven and a half acres on Fairview avenue, in the northwest edge of Sierra Madre and lying snugly against the foothills, overlooking a magnificent sweep of valley. Ninety bungalows are now under process of construction, together with a big administration building.

"Each bungalow, which will be of stucco construction, will provide for two patients, each with separate bath. Dr. Snyder, who has specialized for many years in the treatment of tuberculosis, will be president of the company, and with Mr. Anderson and Mr. Perkins will constitute the board of directors. The capacity of the new institution will be approximately 200 patients. Every encouragement was given them by the official and civic authorities of Sierra Madre, declares Dr. Snyder, who for the past few months has been covering Southern California foothill districts in search of a sanitarium location."

Sides Lining Up

If anybody thought the sanitarium question was a dead issue in Sierra Madre, the notion was soon dispelled after the appearance of the article. There are a great many people who believe a high class institution would be a benefit to the town, and a great many who believe exactly the reverse concerning a sanitarium of any class.

The marshalling of forces began at once. For the most part it has been quiet, and to date hostilities have not become very active in the open. Both sides appear to be feeling their way, trying to be sure of their ground.

Attention has been called to the fact that the proposed site is inside the district restricted against sanitariums by the present city ordinance. On the other hand it is claimed the ordinance will not stand a test in court anyway.

FIRST BOXING CARD NEXT THURSDAY

Manager C. E. House has arranged to stage his first bill of boxing contests next Thursday night in the Firemen's Club quarters.

These events will be pulled off on the second and fourth Thursday nights each month, with good bills promised, such as have proven popular at various legion posts throughout the county. They will be held under the auspices of the Firemen's Club, the proceeds being shared on a percentage basis.

Tommy McFarland will officiate as referee and only four-round events will be staged. The first bill is headed by a couple of fast 118-pounders, Alex McDonald and Young Monroe. The bill will open with Garcia and McGill at 122 pounds. Battling Rudy and Joe Leahy at 110 pounds will furnish the special event, and the semi-windup will be between Jimmie Dunning and Pete Wagner in the 115-pound class.

Manager House says smoking will be prohibited as a special inducement to make the events attractive to ladies.

SANTA CLAUS DUE AT JONES STORE

According to late radio information, Santa Claus will arrive on schedule time at Woodson Jones' store on Saturday at 2 o'clock. He will stick around the store till five o'clock, to enable all the Sierra Madre boys and girls to pay him a visit and put in their orders in person. These annual visits have proven a big attraction in the past and the Jones store will doubtless see about every youngster in town as a visitor tomorrow.

SIERRA MADRE WOMAN'S CLUB

By Besse Palmer Rhodes

Another month has rolled by and
the date of the December club lunch-
eon is at hand. Not only club mem-
bers but many forward looking towns
people now anticipate with pleasure
these monthly luncheons, knowing as
they do, that it is a time of feasting
for mind as well as body. The topic
to be discussed by the eminent lunch-
eon speaker, Dr. George Watson Cole,
I. H. D., on Monday, December 11, is
one of unusual interest to Sierra
Madre. Dr. Cole is librarian of the
H. E. Huntington Library, and will
speak on the Huntington Foundation,
(library, art, galleries, etc.) This
splendid opportunity is afforded thru
the courtesy of Walter Anderson, and
Mrs. W. J. Lawless, program chair-
man. Other members of the execu-
tive board feel much gratified to be
able to present to the club a program
full of information concerning Mr.
Huntington's rare gift which is at-
tracting world-wide attention.

Luncheon will be served at 12:30,
tickets for which may be purchased at
the Sierra Madre Electric Shop, up
to Saturday noon, December 9.
The afternoon program which will
begin at 2:35 will be both musical and
literary. Miss Francis White, soprano
and Miss Georgiella Lay, pianist, will
be greeted with joy by many club
members, to whom their splendid tal-
ents have before given pleasure. Dr.
Greenwood will speak on "Christmas
giving to children."

Card Party

In an effort to bring a little Christ-
mas cheer into many Sierra Madre
homes and into the hearts of children
who, perhaps might not be remembered
from any other source, the Woman's
Club in joint co-operation with the
Firemen's Club, will hold a Christ-
mas celebration in connection with
the Community Sing, on Saturday
evening, December 23. In order to
carry this idea through in a generous
and whole-hearted manner, funds will
be needed, and Mrs. E. C. Newton
philanthropy chairman, has devised a
plan whereby any person so minded
may help swell this fund. Monday, De-
cember 18, at 8 o'clock a card party
will be given in the club house, admis-
sion price to be 50 cents. This is a
worthy cause, and it is hoped that
some of the same enthusiasm which
permeates the holiday season may be
the means of filling the club house on
this date and so make possible the
financing of this project. Any per-
son wishing to offer donations, may
communicate with Mrs. E. C. Newton,
Blue 156.

Tea Party

Charmingly informal and homey,
was the tea party given in the club
house parlors on Monday, December 4,
complimentary to the many new mem-
bers whose names have been added to
the membership list. The parlors were
bright with wonderful bouquets of
roses and chrysanthemums, and a dark
red rose was pinned on each new
member to distinguish her from her
older(?) sister. Mrs. E. C. Newton,
membership chairman, acted as
hostess, and with her Mrs. T. H.
Flather and her courtesy committee
assisted in receiving. Presiding at
the tea table was the club-mother,
Mrs. J. A. Osgood, and the president,
Mrs. Milton Steinberger.

DISRESPECT FOR LAW COUNTRY'S BIG CURSE

The greatest curse of this country, is disrespect for law. This is being increased and inbred in the rising generation by their seeing how easy it is to break the law and get away with it. As soon as some evil is evident to some reformer the demand arises for a new law. This law, whether in the statute of the government, state or city ordinance, is forgotten as soon as passed and its violation goes on with impunity. If about three-fourths of our laws were repealed, and the other fourth enforced we would have a better government and a more law-abiding citizenship. A good illustration at hand is the cigarette law which is so drastic in prohibiting the use of and sales to minors. One has only to walk down the street to see how often it is violated by school boys of this community. Has it ever been invoked once since its passage, or an arrest made, or anything else done, rather than to collect the required tax from the dealers?—Compton Enterprise.

WHAT THE GREAT STATE OF CALIFORNIA IS WORTH

All California property, including real estate, improvements, personal property, and railroads has a total value of \$5,135,984,563, according to figures issued by State Controller Ray L. Riley, showing comparatively property values, indebtedness and tax rates in the various counties of the state. Of the grand total of state property more than one-fifth is located in Los Angeles county, the figures show. Here the property total is \$1,573,418,167. San Francisco, second to Los Angeles in property values, has a total of \$858,062,426. The tax rate in Los Angeles is \$1.81, as against \$3.47 in San Francisco. Alameda county is third in property value with \$321,011,101. County indebtedness in the state given as \$1,119,221,295.33, with more than half that sum credited to San Francisco county. The state has a total of 50,372,032 acres of assessed land and real estate valued at \$2,354,169,919. Personal property is valued at \$707,273,454, while the money and solvent credit total is \$55,447,811. The total value of railroads in the state is \$298,318,299. The highest tax rate in the state is levied in Amador county. Here the rate is \$4. The lowest tax rate is levied in Kern county, where the rate is \$1.40.

NEW TRAIN SERVICE FOR THE NORTH

Announcement is made by G. W. Wetherby, traffic representative of the Southern Pacific Co., that a new concrete boulevard has just been completed between Arcadia and El Monte, which will enable passengers from this section destined to eastern points to motor to El Monte, which will require only about fifteen or twenty minutes, and board Southern Pacific main-line trains at that station, thus avoiding the necessity of making the trip via Los Angeles and thereby saving considerable time. Mr. Wetherby states that all main-line trains stop at El Monte to receive or discharge passengers enroute to or from eastern points.

Mrs. Elizabeth Requa who has been visiting at Beverly Hills the past two months has returned to Sierra Madre, and at present is at Pasadena Hospital for a tonsillitis operation.

Royal Breezes

Common Sense and Christmas

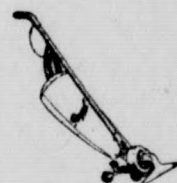

CHRISTMAS is supposed to be a time of sentiment, expressed by custom, through a bestowal of gifts.

Not supposed to be much commonsense mixed up with it. But a properly proportioned mixture of sentiment and common sense should go well—very well.

A ROYAL Electric Cleaner, for example, would make itself and its giver appreciated every day for years. Plenty of sentiment in that.

A ROYAL Electric Cleaner keeps any home healthily clean, from cellar to garret. It keeps the home happier that way. Plenty of common sense in that.

You're certainly going to have an electric cleaner some time. Might as well make it Christmas 1922. And you might as well make it the best cleaner while you're doing it.

Authorized
Exclusive
Royal
Dealer

Sierra Madre Elec. Co.
Sierra Madre, California

BETTER ROAD FOR S. P. CONNECTIONS

Announcement is made by G. W. Wetherby, traffic representative, that effective at once the Southern Pacific has arranged to operate through tourist sleeping cars between Los Angeles and Portland, Oregon. Northbound, the car will leave Los Angeles at 6:15 p. m., arriving at Portland at 9:00 a. m. of the second day. Southbound the train leaves Portland at 6 p. m., arriving in Los Angeles the second day at 8:00 a. m. This service was found necessary on account of the increased travel between Pacific Northwest points and Southern California. This now gives passengers the benefit of through service on both tourist and standard sleepers; standard sleepers having previously been placed in service between Los Angeles and Seattle.

TO THE CITIZENS OF SIERRA MADRE

Mothers and fathers, do you know that the Ragsdale ranch of some seven acres and which surrounds our million gallon reservoir on three sides, has been sold to a syndicate who intend building a lot of small houses for tubercular people to be invited there. Do you know that two daily papers of large circulation have already published statements as above? Do you know that our drinking water in the reservoir is to be partly surrounded by these houses with their necessary sewage? Do you realize that not only the future health of our city is threatened but that the knowledge that our reservoir is thus surrounded will scare away future buyers and so greatly lessen the value of Sierra Madre property? It does seem possible that our city trustees could have known this or the city would have been properly zoned before now. While we sympathize with these tubercular sufferers and realize the necessity of caring for them, we do not think such a wholesale menace to the health of our city should be permitted. A sanitarium should be located where it will not be a menace to the health of our people.

Another feature of the situation is that this land is not remote, but is on West Alegria street, between Grove and Sunnyside, in the heart of Sierra Madre's finest future residential district, adjoining "Mia Italia," Miss Graham's beautiful estate, which famous as a master piece of a great architecture, as well as for its beauty, is one of the city's finest assets, and should be protected as the nucleus of our future home district by keeping any commercial business out.

BY THE WAY

When you are sent to the county jail for speeding, don't forget to take along a good cold in your head. A hard sneeze might come in handy for dislodging some bars from your cell and allowing you to escape like the rest of the celebrities.

Some people seem to be worried for fear some other people will be worried over what will happen to the town if some little lads with boxing gloves are permitted to worry each other around the ring a few rounds once or twice a month. There are people 'most everywhere who seem to worry for fear they will not have enough to worry about, and it doesn't seem to matter whether they regard themselves as good, bad or worse. Perhaps this little comment is so involved they will have to worry about what it means. Too bad!

Manager House, who is staging the boxing contests told the city trustees he hoped they would attend and see the high class of entertainment offered. But the cards will be staged on the second and fourth Thursday nights, the same at the meeting nights of the trustees. The joke seems to be on the members of the board who may have a taste for boxing. As between the counter-attractions, there is not much question as to which will be most interesting. Maybe the effect will be to expedite the transaction of city business in the interest of an early adjournment.

E. O. Wickizer of the South Pasadena Record called the attention of the Chamber of Commerce luncheon attendants last week to some very interesting recent demonstrations of the power of advertising. He referred to the contests over the so-called "lawyers' bill," and the chiropractor and osteopath bills. In each case the winning side was the one which did the most newspaper display advertising—though not necessarily the side which spent the most money. The lawyers and doctors regard professional advertising as unethical and apparently carried that theory into the campaign. Money was spent liberally for circularizing and for writing many thousands of personal letters to clients. The bankers used display advertising because they had demonstrated in their own business that it pays. They won their fight by an enormous majority. Likewise the chiropractors and the osteopaths demonstrated conclusively the value of the use of newspaper display advertising. Mr. Wickizer said that he personally favored the lawyers' bill but merely pointed out the demonstrated effect of advertising in the campaign.

Speaking of advertising, the largest regular advertiser in the News says he has demonstrated to his own satisfaction that it pays. From the time the News was founded, S. R. Norris has carried a display ad, gradually increasing his space to one-third of a page, during the present year. Both Mr. Norris and his son, George, credit their advertising policy with a large influence in holding the trade for their store in spite of it being remote from the business center. For many years Mr. Norris has stuck to one style of advertising—the printing of prices, sometimes regular and sometimes special. The important feature of his advertising has been its consistency, week in and week out, the reminder is always there.

Are you wondering what you are going to get—or what you will be able to give to spread the greatest possible cheer?

VICTORY NOTES CALLED DEC. 15

In banks arrangements are being made for the handling of the redemption of the Victory notes "called" for December 15 by the Secretary of the Treasury. At the time these notes were sold, the banks will carry on the work of redemption as a patriotic service for the accommodation of their customers and the government.

"Misunderstandings on the part of the holders of these notes seem likely said President Allen of the Sierra Madre Savings Bank. "The questions which are already asked us, indicate this. To make clear some of the points:

"These Victory 'notes' were called 'notes' instead of bonds because their term of maturity was less than five years. In appearance they are like most of the Liberty Bonds, and many people call them bonds. Technically, there were no Victory bonds, only notes. If the 'bond' says 'Victory' it is a 'note.'

"The Victory notes which were due May 20, 1923, were made callable by the Secretary of the Treasury, in whole or part, on December 15, 1922. That is, although they bear another coupon, due May 20, 1923, they may be called, and interest on them stopped December 15, 1922. The Treasury has called half of the issue, which comprises the serial numbers A, B, C, D, E and F. Only these are now payable. The other half, bearing the letters G, H, I, etc., will not be due and payable until next May.

"The notes which are payable December 15 should have two coupons on them, one for the interest due December 15, and one for the interest due next May. It is very important that this last coupon be left on the bond. We cannot redeem any bonds from which it has been taken. It represents an interest payment which has been cancelled by the calling of the bonds. I understand that if a bond is presented without this coupon the government will deduct the face of the coupon—that is on a \$100 bond, there would be a deduction of \$2.38.

"For the convenience of the public, we will redeem these Victory notes, series A, B, C, D, E and F at all windows. If deposited to a savings account they will be credited in full. If they are cashed before December 15, interest will be adjusted, that is we will deduct the amount of interest which will accrue between the day of redemption and December 15, from the face of the bond and the coupon due December 15.

"Holders of these 'notes' or 'bonds' should examine them carefully. Look at the letter in front of the serial number and make sure it is A, B, C, D, E or F. To be on the safe side, do not detach any of the coupons. The last two weeks of the year are busy times in a bank, and we earnestly hope that as many holders of these bonds or notes as possible can bring them in before December 15. We have still to prepare for the redemption of the War Savings Stamps, which begins January 1, and which also is a patriotic service imposed upon the banks by the United States government."

HOW THEY DO IT BACK IN NEW YORK

The lady goes to the New York state automobile bureau for a license. She has her picture taken in a little photograph gallery—or in the language of the vernacular, is "mugged"—then she drives around the block with an examiner to show him that she knows an automobile from a stone crusher, and then the dear thing has to sit down and answer the following questions, and answer them she does, in the following manner:

Q.—How old are you?
A.—Over eighteen.
Q.—Have you ever driven anything before?
A.—Nothing but my husband.
Q.—What is the first rule of the road?
A.—Watch out for motor cops.
Q.—What is the second rule of the road?
A.—Don't let anything run into you or past you.
Q.—If your engine stalls in traffic, what do you do?
A.—Try to start it.
Q.—What would you do if the steering gear broke?
A.—Drive to the nearest garage and have it fixed.
Q.—What do you do when the batteries run out?
A.—Try to get them back.
Q.—Which has the right of way, a car on main thoroughfare or one on the side street at intersections?
A.—The one that gets there first.
Q.—What is the proper precaution to take when backing your car?
A.—Reverse your engine.
Q.—What is the accelerator?
A.—The name of something you put your foot on that has something to do with something inside of the car.
Q.—What is the charging indicator?

List Still Open for Enrollment in Red Cross Roll Call

Red Cross enrollment to date in Sierra Madre is 762 members, according to figures compiled by Chairman Robert Mitchell. This is considerably short of the expected 1,000 and it is expected at least 100 additional will be added during the coming week.

NEW TALKING MACHINE LINE IN STOCK

L. C. Tucker has added a line of Burnham phonographs to the stock of the Sierra Madre Jewelry and Art Shop. The little store is now crowded to the limit with Christmas offerings, the art department of Miss Eleanor Tucker proving a strong attraction to the public. This week sees another of the attractive window displays for which the store has gained an enviable reputation.

"Remembrance"

A story of "Pop" who paid the bills while his family had the fun. A great, lovable motion picture of American family life.

"REMEMBRANCE" HERE THURSDAY

"Remembrance" the big special Goldwyn picture coming to the Woman's Club house the evening of Thursday, December 14th, is a companion picture to Rupert Hughes' masterpiece "The Old Nest" which was one of the few really great pictures last year. "Remembrance" does for Father what "The Old Nest" did for Mother; it presents the head of the family in a new light. He "comes first after everyone else", but in the end he comes out strong.

"Pop" Grout is the head of a household of "spenders"; they look upon "Pop" as a "good thing" to be worked to the limit—and "Pop" works to the limit for his family. When the limit is reached, "Pop" has an illness which nearly carries him off to a better land and his family awake to a belated sense of his importance in their little world of the present. "Remembrance" is a picture you will remember forever and "forever" is a long long time.

On the same program with "Remembrance" will be shown a scenic, an animated cartoon, and a good comedy.

BADLY STUNG BY BIG CITY SHOPPING

This letter to the News is written by the Sierra Madre Jewelry and Art Store as a striking proof of the motto "It pays to trade at home," and with the full consent of the citizen concerned. Said citizen, not knowing that the home town could supply his needs, and not waiting to investigate, went to a Los Angeles jewelry firm to make a purchase of several hundred dollars. Happening to call at our store a few days later for some small repair work, he looked around and began to compare prices with his former purchases. He was dumfounded over the way he had been stung. There is no other word to express it. He had paid exactly double what he would have been charged here for a watch; double for a diamond ring, supposedly "almost a carat" but really not a half-carat and a "dead diamond" at that, which he proved upon comparison with one of ours at a much lower price. The result was, he left with the poison of the "sting" beginning to work. It worked so effectively that he went to Los Angeles to the prosecuting attorney, who made a visit in company with our citizen to the jewelry firm with the result that they got down on their knees to repair damages. Moral: suppose we investigate home resources before we go elsewhere. "Honesty is the best policy," we believe.

NAME COMMITTEE FOR PEACE FORUM

The desire to form a permanent peace committee to study the ideals and technique of peace was furthered this week by letters to all local ministers and organization leaders, sent out by a committee of which Mrs. J.A. Osgood is chairman. This plan is expected to result in frequent union meetings in the churches and at the club house, addressed by special leaders of the new peace movement, and will be adopted throughout the state. Other members of the committee seeking to form a general committee are Mrs. J. Milton Steinberger, Unity Truth Center; Mrs. J. N. Hawks, Church of the Ascension; Mrs. J. J. Bergien, St. Rita's Catholic church; Mrs. Palmer Rhodes, Christian Science; Mrs. Ashley Smith, Bethany Church; Mrs. A. F. Snell, Congregational; Plymouth Brethren, so far unrepresented; Mrs. H. E. Allen, Theosophical Society.

SPORTING CLUB MAY TAKE BALDWIN RANCH

It is a cold day when you cannot rake up something new about what is to be done with the Baldwin Ranch, remarks the Lamanda Park Herald.

The latest story is that the entire ranch property is to be leased by a wealthy sporting club and will be used as a game park and general sporting. The ranch is well adapted for such a place, and it may not be long before we hear the call of the hounds and the chase will be on, like they do in "bloomin' old Hingland."

Just so it does not in any way interfere with the opening and extending Colorado street, they may chase rabbits and polecats all they want to.

FATHER, EDITOR OF POLICE GAZETTE, DIES

Fox Brothers Leave for East on Receipt of Wire

R. K. Fox, C. J. Fox and Fred Fox of Second avenue, are en route to New York City, following the receipt of a telegram Tuesday evening announcing the death of their father, Richard K. Fox, says the Monrovia Messenger.

Mr. Fox died at Red Bank, N. J., the family home, following illness of several weeks. He was the owner and publisher of the Police Gazette up to the time of his death, and a well known and prominent New Yorker.

SANTA FE CUT-OFF THE LATEST RUMOR

There is a well defined rumor afloat that the Santa Fe railroad is feeling out the possibility of building a line of that system following a canyon in this vicinity and get through Sierra Madre mountains and thus shorten its line to San Francisco over one hundred miles. This would be the saving over the present run to Barstow and then back on the other side of the mountains to a point north of us, but not so far away.

In connection with this, it is also stated that some of the land recently acquired just east of Lamanda Park is to be used for yard and shop purposes, and is a part of the cut-off plan. The belief is that if this new line up through the mountains is a success, that shops will be concentrated at Lamanda Park.

Here is hopin' that the fellows who have this dope will make good with it.—Lamanda Park Herald.

Neighborhood NEWS

Mr. and Mrs. Rudolph Hartman and Junior returned on Wednesday from San Fernando where they enjoyed a visit at the home of Mr. and Mrs. Harold Pegler.

Mrs. Chester P. Dana of Seattle, and Mr. and Mrs. R. C. Dana of Los Angeles were dinner guests of Mrs. Eva Moore of 82 Victoria Lane on Thanksgiving Day.

Friends of Catherine McClelland of West Grand View avenue, will be pleased to hear that she is recovering from her recent illness.

Miss Linda Schwartz entertained a group of friends at Captain Sherman's Balboa cottage over the week end. Those enjoying the Captain's hospitality were the Misses Betty Shaw, Muriel Tarr and Louise Pearson.

Mrs. John Kilgore, who has been sojourning in Sierra Madre for the past year, left on Tuesday for her home in Hartford City, Indiana.

Mr. and Mrs. A. L. Sortor of Santa Ana and Minneapolis, announce the engagement of their daughter, Margaret Luverne Sortor, to Mr. Robert Emery Steinberger of Sierra Madre.

Mrs. Janet Strock of Winnipeg, Canada, is visiting her parents, Mr. and Mrs. D. A. Hawk in Sierra Madre Canyon.

TREASURY DEPARTMENT

Office of Comptroller of the Currency
Washington, D. C., September 25,

Whereas, by satisfactory evidence presented to the undersigned, it has been made to appear that "The First National Bank of East San Gabriel," in the town of East San Gabriel in the County of Los Angeles and State of California has complied with all the provisions of the statutes of the United States, required to be complied with before an association shall be authorized to commence the business of banking; Now Therefore, I, D. R. Crissinger, Comptroller of the Currency, do hereby certify that "The First National Bank of East San Gabriel" in the town of East San Gabriel in the County of Los Angeles and State of California, is authorized to commence the business of banking as provided in Section Fifty-one hundred and sixty-nine of the Revised Statutes of the United States.

In Testimony Whereof witness my hand and seal of office this twenty-fifth day of September, 1922.
(seal) D. R. CRISSINGER,
Comptroller of the Currency. 4-13

BEAR in mind his practical nature and the and the rest is easy.

¶ That brings us right around to the "family" gift to Dad, or Bud or Uncle.

¶ We mention it at this time because it has been tried so often with success.

¶ All "chip in" on a fine Brenwood Suit or Overcoat—a great gift at \$30 to \$60.

¶ And then there's the almost interminable list of Brenwood Hats, and Shirts, and Cravats, and Pajamas, and Sweaters, and Sox, and Belts, and mufflers and things which can't be described in bulk. And it's too near Christmas to start describing each item.

¶ Come see them.

For 16 Years
this plant has furnished printing service for the people of Sierra Madre, with a plant always a little ahead of the requirements of the town, and the best of workmen to operate it. Other printers have come and gone, but this shop stays on the job. Of late a considerable amount of work from other towns has been brought in without solicitation. There's a reason.

All of our prices are based upon the standardized Franklin Printing Price List, the "one-price-everything-marked-in-plain-figures" idea applied to printing.

LOCAL NEWS

On Tuesday afternoon Miss Ella Shepard Bush will hold an exhibition of miniatures at the Cannell and Chaffin Galleries, 720 West Seventh street, Los Angeles.

The Woman's Guild of the Church of the Ascension will meet Friday, December 15 at the home of Mrs. Charles S. Floyd, 75 Bonita avenue. This meeting will be held in the form of a kitchen shower for the parish house. Assisting Mrs. Floyd will be Mrs. C. J. Pegler and Miss Florence Vannier.

Mr. and Mrs. J. W. Opie arrived on Tuesday from Kansas City to spend some time at their Live Oak avenue home, and elsewhere in Southern California. They had made plans to go to Florida for the winter, but when the time came to leave they just took a westbound instead of an eastbound train.

Rev. Fred Staff, Mrs. Staff and Miss Helen Staff were guests at the C. W. Jones home on Sunday. They expect to remain in California a short time before returning to Colorado Springs. It is their desire to return to Sierra Madre to make their home after Mr. Staff retires from active work as pastor of the Congregational Church of that place.

The jolly bunch who had a community Thanksgiving turkey dinner at the Maycock home, were entertained on Friday evening by Miss Laura Cadmus at the Cadmus home on Woodland drive, in Sierra Madre Canyon. The charming hostess and a number of the party were attired in dainty and unique costumes which added much to the merriment. Games and an old-fashioned spelling-school followed, in which the hostess carried off the honors. Mrs. Johnstone won second place in the contest.

The officers and members of the Woman's Guild of the Church of the Ascension wish to express their thanks to everyone who assisted at their recent bazaar.

Mr. and Mrs. Maycock, son Earl, and grandson DeVaun, returned to their home in Santa Ana Monday after having spent some time in their new home in Sierra Madre Canyon.

Cards have been received here announcing the birth of a daughter, Margaret Burns, to Mr. and Mrs. Merrick Hayes of North Tonawanda, New York. Mrs. Hayes, who was Miss Dorothy McBean, is well known here in Sierra Madre.

Mrs. Amelia F. Fraser, an artist of rare ability, has an exhibit of oil and pastel landscapes at the Monrovia store of A. F. Tanner & Co., which is worth going miles to see. Most of her subjects are characteristic of the Sierra Madre mountains and her color values are wonderfully rich and true. Mrs. Fraser is an elderly lady but her pictures are so full of beauty and spirit that there is no suggestion of the drooping spirits which might be expected of one in poor health as she is said to be.

Mr. and Mrs. Charles Biers of Dover, Minnesota, arrived in Sierra Madre last Saturday, and are staying at Craig Cabin, Brookside Lane, Sierra Madre Canyon. Mrs. Biers and son Wayne spent last winter at Craig Cabin. Mrs. Biers returned to her Minnesota home in the spring, while Wayne has spent the intervening time at the Sierra Madre Hospital, where he has improved so much that he was able to enter Pasadena High School at the opening of the fall session. Mr. Biers is charmed with Sierra Madre, and they are thinking of buying a home.

The rate for all want ads is two cents a word, payable in advance. Only copy furnished by regular advertisers or people carrying accounts with us will be printed without advance payment, as the amounts are as a rule not of sufficient size to warrant accounting and collection costs.
